## HAPPY INDEPENDENCE DAY

### FOURTH OF JULY IS AWESOME HERE

Although I have enjoyed the celebration of our country's independence in several different states and locations I have to say my favorite is the Pacific Northwest. I couldn't ask for more perfect weather for some good riding. Of course, I got to ride almost every day in Texas – it was just usually really hot!

### HONORABLE STUDENTS WANTED FOR NEW SCHOOL IN OREGON NOW!

I have flyers out there and hope to gain a few students soon. Meanwhile I have been working out with my brother doing sticks, pipes and staff work but I have not engaged him in contact. We are simply “breaking rocks” so to speak.

### HAPPY BIRTHDAY PUNONG GURO SAMMY RUBY!

*Another year older with wisdom on the way, don't dwell in the past, live for today. Tomorrow comes soon enough so only take a peek, because all around you right now – is the wisdom you seek.*

*Sandy Waters*

Happy Birthday Guro – see you as soon as possible.

### I MISS YOU TUHON – SEE YOU ASAP

As often as I can I will fly in and visit but until then, TTFN, (*Ta ta for now*)

### A HAIKU FOR MY DEPARTED POPS

*I wish he was here  
Celebrating with us now  
He must be watching*

### HANGGANG SA MULI

*UNTIL NEXT TIME,  
Pito Antas Guro Dennis*
