BIRTHDAYS AND ANNIVERSARY

HAPPY ANNIVERSARY TO THE RUBYS!

Oh yeah, another year together and still happy. It seems that now-a-days not too many folks stay married for any real length of time. Tuhon & S.A. Guro have continued to beat the grim statistics and remained happily married. Have a great celebration and many many more great years together!

HAPPY BIRTHDAY S. A. GURO GARY RUBY!

The only other thing I can think of to say is what my Accounting Professor would say every morning he came shuffling into the classroom, "Getting older is NOT for wimps!" It is so true – damnit. **Happy Birthday Guro!** TO OTHER FOLKS – GETTING OLDER THIS MONTH: Sorry and Happy Birthday and happy days to come to you all!

NEW HALL OF FAME APPOINTMENTS ISSUED

Tuhon announces that Guro Brian is from here forward the new Texas State Director and Guro Dennis is now the Oregon State Director of the Filipino Martial Arts Hall of Fame.

TX GURO TO OR GURO

Back in Texas I had the License plate GURO on my Harley.

I really didn't want to lose my GURO plate but was hopeful that it was available here in Oregon. I prayed, *then* applied for my custom plate here in Oregon and YAHOOOO! Lucky me I got my GURO license plate for Oregon now too. It is now mine – again. I am so blessed it scares me sometimes I swear. *So, heads up Texas Filipino Martial Arts Teachers, the Texas GURO license plate is no longer owned so is available soon.* Written by Guro Dennis

GURO BRIAN WELCOMES NEW GRAND-BABY

Guro Brian recently visited his daughter in Washington state to see his brand-new grandbaby. He had planned to visit Guro Dennis on his return trip to Texas. However, Guro Brian understandably stayed with his daughter longer to help out and give those kids a break so they could at least sleep - LOL. *Congratulations Grandpa.*
