HAPPY ALL HALLOWS EVE

OTHERWISE KNOWN AS HALLOWEEN

Remember when you were a kid and couldn't wait to open the bag and get to all that tasty hard-earned candy? A fine tradition to be

passed onto our youth. Of course, now more neighborhoods have adopted "trunk-or-treat" programs at large parking lot locations. Beyond the production of a clever costume this takes all the walking and work out of the procurement of the mighty candy morsels. Times change I guess.

HAPPY ANNIVERSARY P.G. SAMMY

P. G. Guro Sammy, there is only one thing any husband needs to remember my friend. "Happy wife = Happy Life!" *Being madly in love with your mate helps a bunch too.* May you and your wife share many many more exciting and happy years of bliss – *with each other of course.*

BEEN HERE FOUR MONTHS SO FAR

We have had a great time getting settled in over the past few months. The "Kali Wall" at School Charter No. 003 was a challenge given that it all came from an entire school building in Texas. I finally got it almost all presentable though. I am *really* glad I got the GURO license plate for my bike here in the beautiful and awesome 33rd state.

Again I say WOOHOOOOOOO!

A HAIKU FOR MY DEPARTED POPS

*Thinking about Pops
Missing my Pops as always
A good friend was lost*
