# MERRY CHRISTMAS

## THE BEST TIME OF THE YEAR IS HERE

That's what the song says anyway. It is true though in terms of the rise in good spirit and goodwill towards human kind. People just seem overall nicer to one another this time of year. This is the magic of this annual season holiday that I enjoy every year and hopefully you do to.

## HAPPY BIRTHDAY TUHON RUBY

We do not forget and I am here to make sure no one does.

What does the family have planned for Tuhon this year I wonder? No matter what is planned I bet they keep Tuhon warm and loved.

## FIRST DAY OF WINTER

The 21<sup>st</sup> of December officially marks the first day of winter. Enjoy all winter has to offer. Stay warm and safe everybody!

## NEW YEARS EVE ALMOST HERE FOLKS

To celebrate the passing of the old year and the birth of the

new year people do a variety of things. Some folks go skiing, some go ice fishing, some stay home, or any number of activities. Others party like there is no tomorrow. No matter your celebratory practices, have a great time. If you do practice the typical New Year celebratory activities and imbibe in the alcohol, please do so responsibly and safely. *That's all I will say about that.*

## A HAIKU FOR MY DEPARTED POPS
