HAPPY MOTHERS DAY

HAPPY MOTHERS DAY TUHON!

Also, to all Moms Happy Mother's Day! Nope, you don't want to be the sap that forgets his or her Mom on Mother's Day. If this day only serves to remind you of a Mother passed you have my condolences. It is my hope that Moms are honored in all kinds of ways because – isn't that what it is for?

HAPPY FATHERS DAY TO ALL DADS!

May brought us Mother's Day and June brings us

much to us in our lives. If it wasn't for our Mom AND Dad, we wouldn't be here. *With few scientific exceptions perhaps?*

Father's Day. Both give us excuses to honor or remember our parents who have meant so

OH BOY IT'S SUMMERTIME AGAIN

This is my favorite time of the year – here in the Pacific Northwest!

It was almost too hot in Texas. This is when a lot of events and motorcycle rallies are and holy cow it gets hot in the south! Sorry for rubbing it in guys. Vacation time, camping trips and other get-a-ways are what most of us enjoy during the summer so party on folks – *responsibly of course.*

A HAIKU FOR POPS

Two summers gone now

Even only in spirit

He is somehow here
