911 - NEVER FORGET

SEPTEMBER EQUALS 911 MEMORIALS

Hard to believe it has already been 8 years

since the terrorist attacks. All of United States Loving Americans were in immediate shock and disbelief. This was quickly replaced by sheer horror and anger followed by weeks of sadness and lingering anger. Multitudes of people from all over the country rallied together in the rescue and clean-up efforts. For a while it seemed that most everyone was treating others so much nicer. Now, we remember all the innocent Americans lost and the heroes who lost their lives in the twin towers attack.

RUBY'S ANNIVERSARY LAST MONTH

Last month on August 28th Tuhon & Manong Guro Ruby celebrated another anniversary. Not many people stay together "until death does them part" these days. Tuhon and Manong Guro still got it and still keep each other happy. CONGRATULATIONS TO OUR BELOVED RUBY'S!!!

OCTOBER = ANOTHER HALLOWEEN

"Trick or treat!" the kids loudly announce as they disguise themselves so as not to be recognized in a police line-up while attempting to extort candies from the local home owner. Most folks prepare and provide TREATS for the little darlings which helps prevent the TRICKS that was earlier threatened if no treats were provided.

CONGRATULATIONS HALL OF FAME

Inductees this year, 2019!

There were only a select few Inducted this year but as Tuhon always says, "We are about quality not quantity."

Also, Congratulations to Tuhon

Salvador Moralez Jr. for the Lifetime Achievement Award AND becoming a Four Time Filipino Martial Arts Hall of Fame Inductee. Again, Congratulations to all our 2019 Filipino Martial Arts Hall of Fame Inductees. Thank you for all your hard work and for proudly representing the Filipino Martial Arts!

A HAIKU FOR ALL OF THE DEPARTED

Remembering Them

Whom tragedy has taken

And those simply gone
