

HOLIDAY SEASON!

THANKSGIVING TIME

Mostly I think that Thanksgiving is about the traditions you and your family share during these holidays. Of course, the big Thanksgiving Meal is always a major plus so dig in folks and *Bon Appetit!*

MERRY CHRISTMAS!

What is the most wonderful time . . . of the year? It's in a song ya'll. Song aside, it is awesome to me how people overall act more compassionate to others.

I see what can only be observed as greater understanding and patience from human kind. Folks in general act more pleasant to others. This must be part of what they call the Christmas spirit. Well, *except* in the heat of last minute shopping perhaps. Those times can be really ruthless when folks shop for that last minute for “special” gift.

HAPPY BIRTHDAY TUHON!

We would not of course state the age of Tuhon here but Happy Birthday to the Queen of Filipino Martial Arts!

May this year bring you all that you need, afford you the happiness you deserve, and keep you healthy and strong! We love you Tuhon!

A HAIKU FOR POPS

*Merry Christmas Pops
I say to you in a prayer
Miss you bunches Pops!*

HANGGANG SA MULI

*UNTIL NEXT TIME,
Pito Antas
