# HAPPY MOTHERS DAY

Breakfast in bed or flowers is a bit cliché' but it is usually welcomed. What should you do for your Mom?

It is simple really. Here is what you do. You give her the day SHE wants, whatever that may be. Sometimes that is merely some dedicated time alone in the house. Maybe she wants you to spring clean. I suggest that more times than not your Mom will simply want some quality time with you!

### MEMORIAL DAY IN MAY

Memorial Day is on the twenty-seventh but if you are like a lot of us you unofficially

memorialize your loved ones almost every day. Their absence is our cross to bear as we remember all the good times and fun times and bad times alike. We remember mostly the good times though. It's funny how that works. It is kind of nice to have a dedicated day where we nationally remember our dearly loved departed.

**MALIGAYANG ARAW NG MGA TATAY**  
Happy Father's Day fellas.

One of our jobs as Dads is loving fully whatever your kids get or do for you – barring washing your car and drying it off with sandpaper or the like. I don't think you have to worry about that though – at least we hope not for crying out loud.

**SUMMER FINALLY HERE**  
Spring is awesome but summer

rocks here in the Pacific Northwest.

With the world slowing achieving normalcy I am anxious to get to our summer fun activities. Do you have any summer fun stories? Send us your story and allow us permission to publish and we may add it to an upcoming newsletter.
